## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2025 of **Solva Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### **Audit opinion: Unqualified**

On the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council:

#### **General Power of Competence**

The Council has provided a positive response to assertion 10 in the Annual Governance Statement. I have confirmed with the Council that the response provided was incorrect and that the Council does not meet the conditions required to exercise the General Power of Competence.

We recommend that before it provides positive responses to the assertion in the Annual Governance Statement, the Council carefully reviews the statement to ensure that its responses are accurate.

#### **Approval and certification of accounts**

The Council did not provide a minute reference indicating when their annual return was approved.

We recommend that the Council include the minute reference on their annual return indicating when the annual return was approved.

## **Accounting Statement – Line 4 and Line 6**

The Council assert expenditure of £22,158 on Line 4 (Staff Costs) and £40,340 on Line 6 (Total Other Payments), in their Accounting Statement for the year ended 31<sup>st</sup> March 2025. However, the Council's cashbook notes staff costs expenditure of £21,636 for the year ended 31<sup>st</sup> March 2025 and total other payments of £40,866. Therefore, Line 4 is overstated by £522 and Line 6 is understated by £522.

Although these do not have a material impact on the accounts, we recommend that the Council amends their Accounting Statement for the year ended 31<sup>st</sup> March 2025 in the 2025-26 Annual Return.

## **24/25 Budget**

The Council has not provided evidence that it calculated its budget requirement in accordance with the Local Government Finance Act 1992 and that the precept has been set in line with the budget. The Act requires the Council to take into account its income and level of reserves when setting its budget requirement.

We recommend that the Council sets a budget in accordance with the Act.

## **Schedule of Member's Payments**

The Council's schedule of member's payments does not specify the amount received by each individual member.

We recommend that the Council disaggregates the total amount paid to members and specifies the amount which each member received.

## **Arrangements for Making Payments**

The Council appear to provide a schedule of payments for approval at full council meetings. However, this schedule of payments is not available in the Council's open minutes.

In order to ensure transparency, the Council should include their schedule of payments for approval in their published minutes online.

## **Clerk's Contract**

From our audit testing we identified that the clerk was paid more than the agreed payment terms within their contract.

We recommend that the Council reviews the terms of the clerk's contract and ensures the terms are updated for changes to pay scales.

There are no further matters I wish to draw to the Council's attention.
